RELIGIOUS MEETINGS BEGIN NEXT MONDAY

TOPICS FOR DISCUSSION

AFTERNOON:

1 Where can God be found?
2 Can God manage his world?
3 Can God manage men?
4 What of the future?
5 Discussion of difficulties.

EVENING:

1 The quest for satisfaction.
2 Respectable neutrality.
3 Rights and obligations.
4 The fight for life.
5 A man's worth to the world.

Rev. Robert R. Wicks '04 Will Hold Discussions Twice a Day for Five Days

Rev. Robert R. Wicks '04 will come to the Hill next week for his series of addresses which begin Feb. 26, Monday. Mr. Wicks is a speaker of power and effect, and has long been known to the men on the Hill. He assisted in the services conducted by Dr. Joseph W. Cochran of Philadelphia last year. He spoke Jan. 25 before the Men's Club of Westminster Church, Utica, and Feb 18 before the students of Yale at New Haven. At the series of talks to be given in the College Chapel each night at 7 o'clock thruout the week, the Y. M. C. A. orchestra will furnish music. Woolnough '17 will favor with solos.

From Monday to Friday, inclusive, Mr. Wicks will hold meetings at Silliman Hall in the afternoon at four and in the chapel at seven each evening. Mr. Elmer Galloway, Travelling Secretary of the Y. M. C. A., will be on the Hill the first part of the week.

"Bob" Wicks, in his own words, "seeks to develop the inner life of college men," and his strong, virile discussions of problems and struggles of the college man today are forceful. He appeals to the intellectual side of his listeners, and discussions under him will be remembered.

INTERCOLLEGIATE DEBATE

In the debate tryouts held Monday evening the successful men were: affirmative, Patterson, Brockway '17, Ives '19, alternate, Seaver '17; negative, Young '18, Link '18, Lowell '18, alternate, Keeler '19. The question for debate this year is, Resolved, That the United States could better protect the Western Hemisphere by an understanding with Great Britain than by the policy known as the Monroe Doctrine. The Debate Council, composed of Professors Squires, Wood, Davenport, Shepard, Fancher, Clark and Lewis, acted as judges. The debates will be held March 22, the affirmative side meeting Bowdoin at Brunswick, Maine, and Wesleyan coming to meet the negative men on the Hill.

CHARLATANS WILL "STOP THIEF" IN BINGHAMTON THURSDAY

The Charlatans leave the Hill on Thursday for Binghamton where they will give their second performance of the season at the High School Auditorium, under the auspices of the General Students' Association. No other dates have been scheduled for the trip, so the club will get back Friday.

The Binghamton date was secured largely thru the influence of Link '18, Keeler, McLean and Welsh '19, all of whom come from Binghamton. In place of Gaines '20, who has left college, Parmelee '19 will go along as Joan.

Manager Flesh announces that he is arranging for a northern trip, including appearances at Watertown, Ogdensburg, Lowville and Clayton.

NEW JERSEY ALUMNI ENJOY ROUSING TIME

Association Dines as Result of Effort of Lee '15 and Wheelock '13. Speeches on Choice of President

The Hamilton Alumni in New Jersey held their second annual meeting, Friday, Feb. 16, at the Washington Restaurant, Newark. This organization and the two dinners which it has held so successfully are largely the result of the work of F. P. Lee '15 and C. D. Wheelock '13.

Hopkins '63 was "Daddy of them all." Others who were present were, Warfield '89, Chester '88, Kendall '82, Brockway '91, Burke '93, Cross '97, Best '99, Stone '98, Springstead '05, Lee '99, Geer '95, Massee '07, Gordon '07, Williams '08, Wheelock '13, Woodcock '15, Kimball '15, F. P. Lee '15.

C. H. Warfield presided and was elected president. Other officers are: vice-president, Daniel Burke; secretary-treasurer, F. P. Lee; executive committee, Springstead, Wheelock, Woodcock, Triess and Brockway.

The principal address of the evening was by Dr. Calvin N. Kendall, State Superintendent of Education in New Jersey, who spoke on the problem confronting the Trustees in their choice of a successor to Dr. Stryker. He said that while he would prefer to see a Hamilton man selected, he knows that the Trustees ought to get the very best available man anywhere to be had and that therefore graduation from Hamilton should not be a requirement.

Warren I. Lee, formerly Deputy State Comptroller in New York, said he hoped they would select a man to succeed Dr. Stryker who will be a good public speaker, this being one of his main requirements.

A large number of messages were received from men who could not be present and also a telegram of greeting from the New England Alumni in session in Boston the same night.

The pictures made by Burke and Erhardt were shown and were one of the best features of the evening.

Williams told about the work of the College Growth Committee and particularly emphasized the need for contributions to the Pomeroy Fund, which is being developed to help needy students.

MUSICAL CLUBS SCORE IN SYRACUSE AND AUBURN

Alumni Welcome Undergraduates With Large Crowds and Royal Hospitality

Large and enthusiastic audiences in both Auburn and Syracuse heard the Musical Clubs in the three concerts of the trip Friday and Saturday. The Syracuse concert, under the auspices of the Women's Guild of the Homeopathic Hospital, was ably managed by Albert Getman '11 as an audience of 500 attended. The next concert was marked by the enthusiasm of 1200 prisoners in the Auburn Prison chapel. The evening concert in Auburn, while a little smaller in quantity, made up this deficiency by the warm responses accorded each number on the program. All departments and features of the clubs were working in real mid-season form, the quartet and instrumental quintet carrying away the big end of the encores. The solos were also good.

When the clubs arrived in Syracuse Friday night at 6.28, they were escorted to the City Club where dinner was enjoyed. The concert that evening in the Ballroom of the Onondaga was marked by "pep" from start to finish, as well as the dance following. The next morning a rather sleepy-looking crowd assembled at 10.25 and set out by the Auburn-Syracuse Railroad to the place of the next concert.

The clubs were entertained at an alumni luncheon at the Hotel Osborne Friday noon. Fourteen local

DR. C. W. AVERY

Dr. Charles Woodbridge Avery '63, for thirty years a prominent physician in Brooklyn, died from pneumonia last Tuesday at his home. Dr. Avery was the son of Prof. Charles Avery who taught chemistry and natural philosophy at Hamilton from 1844 to 1869. He was a graduate of the New York Homeopathic Medical College and the College of Physicians and Surgeons. He was an army surgeon during the Civil War and later enlisted with the German Army in the Franco-Prussian War. Dr. Avery was the founder of the Central Homeopathic Dispensary of New York.

IAN HAY COMES SATURDAY NIGHT

Noted Author and Army Officer Will Lecture on "Kitchener's Army.' Appears Under Myers' Course

This Saturday evening in the Chapel Captain Ian Hay Beith will give the second Myers lecture of the season on "Kitchener's Army." As an active participator in the European War since its beginning, pictures of which he has recorded in his well-known book, "The First Hundred Thousand," Captain Beith is peculiarly fitted to give the college intimate and vivid sketches of this world struggle.

Captain Beith, who was born in 1876, barely came within the age limit at the outbreak of the war of 1914. He enlisted and was made a sub-lieutenant in the Argyll and Sutherland Highlanders. After training thruout the fall his regiment was sent to the front and saw some very active service from the first. In the offensive of September his division was badly cut up and seriously reduced in numbers.

Besides "The First Hundred Thousand," Captain Beith is author of those exceedingly popular novels, "The Right Stuff," "A Man's Man," "The Safety Match," and "Happy-Go-Lucky."

ROCHESTER ALUMNI DINNER

The annual banquet of the Rochester Alumni Association was held at the University Club in that city Feb. 2nd. Fifty members were present, the "feed" being good and the speakers better. Frederick W. Griffith '86, president of the association, acted as toastmaster.

The speakers included Willis G. Carmer '84, James B. Hastings '84, Prof. William P. Shepard '92, John H. Hopkins '72, John P. Silvernail

What two great Encyclopaedias say about the Oliver Typewriter:

From Encyclopaedia Britannica
TYPEWRITER—
Encyclopaedia Britannica 11th Edi. Vol. XXVII.

"The important desideratum without which no typewriter can produce work of satisfactory appearance is accuracy of alignment. For the attainment of this the use of typebars has given wide scope to the ingenuity of inventors who have been confronted with the problem of making a system of levers at once strong, rigid and light, and of supporting them on bearings where space is much restricted.

In the Oliver machine the typebar is of the form shown ((in fig. 1) to secure stiffness and a double bearing."

From Everyman Encyclopaedia
TYPEWRITER—
Everyman Encyclopaedia. Vol. XII. Ste-ZYM.

"In the Oliver machine the letter is situated on the bottom of a U-shaped bar. The U is inverted and the two ends are pivoted in bearings, which makes an exceedingly strong type bar and gives excellent alignment. In some cases the alignment is 'forced,' that is, the type passes through a hole or between guides. This produces good alignment but if the type bar does not strike truly, the result is either a faint impression or a strain on the finger of the operator."

The cutting of stencils for duplicating work is an important function on the Typewriter, and the Oliver machine is pre-eminent in this respect on account of the type bar already referred to. When only a few copies of a letter or document are required, carbon paper may be inserted between sheets of writing paper, and in this manner as many as twelve copies of one original may be made with thin paper and carbons."

Only the Oliver has the arch-shaped type-bar, with broad bearings. This insures perfect alignment. Oliver type cannot "run down at the heel," because it always strikes squarely.

Only teh Oliver prints downward, just as one writes. No lifting necessar to raise the type-bar. This means a lighter touch, greater speed, and a bigger day's output with a third less exertion.

Especially Imported by Franklin Simon & Co., Chief American Distributors for Aquascutums

Most all college men are "up" on Aquascutums. They know all about their origin and their originality. They recognize them as the garments for all weathers and all occasions, whose fabrics are proof against rain and whose lines are beyond reproach. But what will surprise many college men is to find that Franklin Simon & Co. have assembled such a liberal collection of the new Aquascutums in this period of international stress.

London itself has no greater variety than we have in these celebrated Aquascutums, at

$24 to $45

They are tailored in those wonderful warmth-without-weight weaves, in the newest London color schemes. The models are loose back effects, draping leisurely about the figure: and conservative box shoulder styles. There is also a "ripping" new military model full-belted and buckled, which promises to be as irresistible here as it is in London. All models shown with convertible collar, and plenty of latitude in pockets.

Mr. Enright will also show Franklin Simon

EDITORIAL

Serious Thought.

No man ought to miss the opportunity offered to the college next week. The nightly addresses of Mr. Wicks will contain matter of vital interest to every thoughtful man.

To the casual observer, college men often appear irreligious, even frivolous. Only those persons who are intimate with the undergraduate world of thought understand that down beneath the superficial froth exists a sincere, deep purpose, a real, live purpose, which is brought to light only in confidences. Practically every man, whatever his beliefs and convictions, welcomes an intelligent, serious discussion of the problems of life.

It is such discussion that Rev. Robert R. Wicks '04, of Holyoke, Mass., is competent to lead. Rumors that the college would undergo a revival next week have gone with absolutely no foundation. Mr. Wicks' appeal is primarily to the intellect, tho he often touches a man's emotion. That is good.

A personal letter from Rev. Wicks states clearly the purpose of the meetings next week. "I want to have the effect of the week cumulative, working from the individual religion of the men out toward the ultimate expression of their life in service to the world. Then may we lead from the life, both intellectual and practical, to the proper connection with the larger life for which the college is training her men. The last address on Friday night will be a kind of summary, bringing the intellectual and practical lines of the week's work together, and showing the type of man that is needed in our modern world."

It is indeed fortunate for the college that Mr. Wicks comes here at so opportune a time. The last of February and the first of March are days in the college calendar which are peculiarly fitted to a consideration of the religious in man's nature. **Life** sincerely trusts that every man on this Hill will take time to benefit by the discussions under such able leadership.

It is well said, in every sense, that a man's religion is the chief fact with regard to him.

COMMUNICATION

Juilly, Seine et Marne, France,
Jan. 27, 1917.

To the Editor of **LIFE**:

If you think you are cold in Clinton, I wish you could be here with me in Juilly, living in a cellar. Our cars freeze up every night, and we have to thaw them out in the morning. I am stationed regularly in Neuilly-sur-Seine, in a section with sixty fellows. From Juilly we chase all around the country after "blesses" and fallen aviators. I have been on some very interesting trips from here. I suppose we will be returned to Neuilly next week. I rather like it here, but we certainly get tired of this cellar life.

A few days before I left Neuilly Tom Orr arrived in Paris. He may be gone to his section by the time I get back, so there is no knowing if I shall see him again over here.

There are some mighty fine fellows in our section, and we have some great times. We were not very busy when I left, and we used to get into Paris quite often for dinner, and occasionally for the theatre. Paris is "keeping the fun flag flying."

About a week ago my squad, with six fellows, was sent out to Juilly. It gives us a great deal better impression of the war here than it did back in Neuilly, for here we can hear the guns from the front and see lots of aeroplanes and other signs of war. In Neuilly our chief duty is to unload all of the trains of wounded arriving in Paris and to transport the "blesses" to the various hospitals.. But out here in the "after theatre," life is entirely suspended. At dinner time the restaurants do a big business, and the theatres, especially the music halls, are well patronized.

My address is, c\o American Ambulance, Neuilly-sur-Seine, France.

Yours very truly,
"Wally" Johnson '15

alumni were present and a few spoke after the luncheon. Dick Drummond '01 acted as toastmaster and, after a brief talk, was followed by Hoyt '72, of Auburn Theological Seminary, Fay '77, and Palmer '82. Then after a song, the gathering dispersed and soon left for the visit thru the prison. Charles Dayton '14 had charge of this as well as the concert in the evening. At 5 o'clock the inmates of the prison assembled in the chapel and heard parts of the program. The Instrumental Club and the quartet were the favorites because of the character of the selections. Altho 100 Wells College girls were not at the concert at Osborne Hall in the evening, the affair was a success. The clubs made the round trip via electric trolley, returning to Clinton 3.30 Sunday afternoon.

—Dr. F. M. Davenport delivered an address in Utica last Friday night under the auspices of the Utica Council of "The Boy Scouts of America." His subject was "Training for Citizenship."

CHAMBER MUSIC AT DR. SAUNDERS'

Last Saturday evening Dr. Saunders' second musicale of the year was held at his own home instead of at the Hamilton Union rooms as had originally been planned. Owing to the fact that so many of the students were away on a musical club trip the attendance was not so large as usual but in addition to those students and members of the faculty who were present a number of people from Utica braved the weather and enjoyed a delightful program.

Dr. Saunders had planned to have a male quartet which would have played at the Union rooms in North to an audience made up solely of the students and professors, but at the last moment he received word that one of the quartet was ill, and when Miss North very kindly consented, at the last moment, to come, Dr. Saunders changed the place of meeting to his home..

The quartet was composed of Miss North and Dr. Saunders, violins, Robert Haven Schauffler, the author, 'cello, and Dr. Saunders' brother, Prof. F. A. Saunders, of Vasar College, viola.

The program was a selection of well-known quartets, concluding with a delightful piece composed by Percy Grainger, the noted Australian composer who recently appeared in Utica. Mozart's Quartet in B Flat Major, was the first number. The second was Shubert's celebrated one in D Minor, the best known, probably, of all, and of which the first two movements were rendered. A movement from one of Brahms' followed and the concert was then concluded by Grainger's "Molly on the Shore," an Irish reel of a most pleasing nature.

On March 3rd Dr. Saunders and the rest of the quartet will go to Poughkeepsie where they will play substantially the same program at Vassar College.

Plan Innovations For Press Bureau

The reorganized Press Club plans several changes in its working system which will place it on a par with any activity in college. In the past there has been some criticism of the inaccuracy of th Press Club reports, but to eradicate this fault a closer supervision of all bulletins will be made. Each sheet, before being sent out, will be submitted to the manager, captain or coach of the activity concerned. This will eliminate any inaccuracy in the report. Furthermore, every sheet will be marked 'approved' with a rubber stamp by the director, so that, in case there is any criticism the responsibility can be placed.

There is a movement on foot to take motion pictures of the college and some of its activities, and to use the films for advertising purposes. This plan would be a departure from the usual college advertising, but the club feels that it would be beneficial. The club is under the direction of E. R. Moore '17, who will act in this capacity for the remainder of the year. A treasurer will be elected soon. It is planned to divide the club into several departments, and have an upperclassman over each division. Gus Donohue has been appointed head of the Sports Department, and the other men will be named in a few days. Robb MacKie '19 has been appointed head of the Pictorial Department.

BROOKLYN ALUMNI DINNER

Two dozen odd enthusiastic Brooklyn alumni held their annual smoker at the University Club in that city on Feb. 9th. Robert N. Brockway '91 insisted that everyone sing all three verses of the "Stein Song" four times over and in two different keys. "Bob" Hughes '90 was his only competitor at the finish.

A letter was read from Paul Williams '08 in regard to the Pomeroy Fund to furnish loans to students who need financial help. It was decided to raise among the Brooklyn alumni $500, sufficient to send two such students. Lee Bristol gave an account of the Hamilton men in the Ambulance Corps at the front in France and the latest news from them.

Preparations were made for the annual banquet in April. Peck '91 furnished "feed" for the assembly. There was considerable discussion as to the advisability of continuing the speaking contest in Brooklyn and the opinion seemed to be that it was not worth while but the matter was laid over. DuBois '12 was elected secretary pro tem in the absence of Stone '10 who is in France.

"You can always tell a college man,
but you can't tell him much."

This is just a bit unfair, isn't it? It was probably said by a man who expected too much of the young college graduate.

DEKES KEEP POSSESSION OF INTERFRATERNITY CUP

CHAMPIONSHIP GAME LAST WEDNESDAY DREW THE BIGGEST CROWD OF SEASON. D. U.s PUT UP A STRONG FIGHT.

BEHAN AND BROCKWAY STAR

BASKETBALL STANDINGS

	W.	L.	P.C.
Deke	8	0	1000
D. U.	7	1	875
E. L. S.	5	2	714
Psi U.	5	3	625
Theta Delt	3	3	500
Chi Psi	3	5	375
Sigs	2	5	286
Neutrals	1	7	125
Alpha Delt	0	8	000

Interest in the race for Interfraternity Basketball supremacy centered in the final contest of the schedule Wednesday night, when the undefeated Dekes and D. U.s lined up to decide possession of the cup for another season. Half the college was on hand to witness the superlative in speed and hard fighting, and not until the final whistle blew with the Dekes leading an 18 to 13 score, could either side claim victory.

Close guarding featured the play of both teams and resulted in the low score. For the D. U.s, Pape and Behan did the scoring, Pape starting strong with three tallies in the first half. "Sub" Donoghue proved the "man in the pinch" for the Dekes. He twice sent his team into the lead with long shots. He also succeeded in making good 4 out of 5 tries from the foul line, after Welsh had failed three times and "Gus" had followed with two misses. Brockway also played a hard game and contributed 6 points to the team's total.

The first half was a toss-up, neither side leading at any time by more than one basket. "Joe" Behan started the scoring by dropping in a foul, but the Dekes soon reversed the order with a shot from the field. Pape followed with two pretty baskets, but Welsh and "Sub" kept things even. Neither side had any advantage, and when the whistle sounded half time the score stood 9 all.

The Dekes had a slight advantage during the second half, at least so far as the score-board would show. Sub started off with 3 points and Joe succeeded in evening things at 12, but from here on the Dekes drew away slowly until Moffat added the final score as the timer's whistle blew with the Dekes 5 points ahead

Altho there were numerous fouls called, they made no material difference in the final outcome, the Dekes ading 4 points to their score, to 3 for the D. U.s.

The teams lined up:

Deke: Welsh, Moffat, forwards; Brockway, center; Donohue, Don-oghue, guards.

D. U.: Behan, Pape, forwards; Lowell, center; Griffith, Peck, guards.

Referee, Myers; scorer, Hawks; timer, Prof. Super.

Time of halves, 18 and 15 minutes. Field goals, Brockway 3, Pape 3, Behan 2, "Sub" Donoghue 2, Moffat 1, Welsh 1. Fouls, "Sub" Donoghue 4, Behan 3.

Before the Deke-D. U. contest, the Neutrals won from the Alpha Delts, 8-2. The Neutrals put a new line-up on the floor, Elliott and Baumler contributing largely to the victory.

Series Will Decide Interclass Champions

The first round of the Interclass basketball games was played off last night when the Seniors met the Freshmen, and 1918 faced 1919. The two winners will not meet in the final game for the championship, as Manager Hawks has decided to play a series of six games in which each team will meet every other. This is obviously the fairest way of determining superiority and is the system which practically every other college uses in the interclass contests. It has been abandoned here during the past few years because of the late ending of the Interfraternity series which heretofore was not finished until the middle of March. This season three games a week instead of two brought the series to a close a full month earlier.

Next Monday night the four teams meet in reverse order, the Seniors against the Sophomores and Juniors versus Freshmen. The final games of the season are scheduled for Wednesday night, Feb. 28, with 1917 facing 1918, and 1919 lining up against 1920.

1917, who has held the championship for the past two years, has the same line-up, which includes three members of the Deke champions who have played together all season. Donohue and Donoghue fill the guard positions, with Brockway at center, and Behan and Pendleton as forwards.

The Juniors have the same strong team which gave 1917 a hard run for honors last year, when 1918 lost out by a 35 to 29 score after leading at half time 17 to 16. They line up, Fursman and Powers, forwards; Root, center; Russell and Griffith, guards. They have the advantage of a game against the Norwich High School on Saturday.

The Sophomores have the same five as last year, with Welsh and Morrow, forwards; Riley, center; and Pape and Parmelee, guards. Last year they lost to 1918 in a hard game by a 33 to 19 score.

The Freshmen will have a fast combination, with Baumler, Elliott, Moffat, Parlon, Romer, Farrar, Johnson and Allen to pick from.

The Senior basketball team plays the Oneonta High School team in that city Friday, March 2.

—Lloyd Paul Stryker '06 and Reuben L. Maynard '84, are members of the committee on Political Reform of te Union League Club of New York City.

—Hon. Abel E. Blackmar '74, of Brooklyn, Justice of the Supreme Court, was designated by Governor Whitman last week as an additional justice of the Appellate Division, second department.

—Twelve loads of fertilizer have been applied to the diamond on the new athletic field in an effort to produce a good green for the early-season games.

BOWLING NEXT WEEK?

Altho final plans have not been completed, Bursar Coughlin promises to have the much discussed bowling alleys in condition to be used in the near future. One coat of shellac has already been applied and one more is needed to put them in first-class condition. The management of the alleys has not yet been decided upon, but it is probable that Hawks '18 will take control of finances and management. Regular hours will be picked and pin-setters provided at those times. Payment will probably be made by the game with a system of tickets with decreasing charges. Plans for an Interfraternity tournament are under way.

JUNIORS DEFEAT NORWICH HIGH

The Juniors picked a lucky day for their game against Norwich High School when they scheduled Saturday afternoon. Their basket seemed like a funnel with the result that every one of them scored points toward the 38 to 26 victory. To do the winners justice, they played a good all-round game, but some of those long center-floor shots of Russell's, and those back-hand over-head tries were—well they counted.

The high school men were not in the best condition after their close victory over Clinton High the previous night, but showed good team work and clever play at times. H. Ryan at center was their best point winner with five field baskets. Brown at guard and Captain Ryan at forward got in some fast floor work.

The score at half time was 22-12, but the second half started well for the visitors who soon reduced '18's lead to 5 points. From then on they were unable to stand the pace and finished 12 points behind.

The line-up:

N. H. S.: C. Ryan, Sullivan, forwards; H. Ryan, center; Brown, Fredenburg, guards.

1918: Root, Powers, forwards; Peck, center; Russell, Griffith, guards.

Referee, Myers; timer, Wassung '13; time of halves, 20 and 15 minutes. Substitutions: Lowell for Peck, Jewell for Sullivan. Baskets, Root 6, Powers 5, H. Ryan 5, Russell 4, C. Ryan 3, Brown 3, Peck 2, Griffith 1, Lowell 1. Fouls, C. Ryan 4.

"JOHNNY" EVERS WILL BE HERE THIS WEEK

Johnnie Evers, second baesman of the famous baseball machine of the Chicago Cubs when Frank Chance was winning championships, and now with the Boston Braves, will be on the Hill this Friday, Feb. 23. He will arrive in the afternoon and watch the practice of the battery candidates in the cage.

In the evening at 7 o'clock a meeting of all the baseball candidates, or those interested, or any who may desire to meet him, will be held. He will give a short talk on his favorite subject to those present. Evers is a close friend of Captain Behan. The following day Evers is scheduled to speak at a banquet to he held in Pittsburg.

—The Executive Council met last night in Silliman Hall to approve budgets and schedules.

BASEBALL TEAM HAS NEW COACH

Ralph Dexter of Utica Picked by Management. Will Come to the Hill April 1st.

BATTERIES START TODAY

The Baseball department in a long-expected statement announces the selection of Ralph E. Dexter of Utica as coach for the coming season. The management was fortunate in having a large number of candidates of considerable experience from which to select their coach.

Dexter's home is in Lancaster, N. Y., where he played on local teams and coached the high school in football and baseball. He was soon engaged in the Southern League where he remained for four years, being drafted by the Bay City, Mich., team of the Michigan State League. Later he returned to Lancaster where he appeared as a professional with "Wally" Schang, now catcher for the Philadelphia Americans, "Bob" Schang, formerly with Pittsburg, and with George Davis, now with the Boston Braves.

In 1910 George Stallings, manager of the Buffalo team of the International League, and now manager of th Boston Nationals, signed him. Dexter was first a pitcher, but an injury to his arm forced him to take a place in center field where his heavy hitting made him a strong player. From 1912 to 1914 Dexter coached the Clarkson Tech baseball team and directed the spring football practice For several years he was a member of the Lancaster football team, champions of western New York.

Dexter will be on the Hill every day after April 1st, and until that time will meet the candidates every Saturday afternoon in the gym. Hard work is his slogan.

Captain Behan has issued his schedule of practices. Battery candidates will start work this afternoon in the gym. All candidates will report Thursday, Feb. 22, for practice in throwing the ball. Batting will start Feb. 28.
